July 12, we're navigating some downtime on our legacy web pages, including both gamasutra.com and gamecareerguide.com. While most Gamasutra pages and functionality have been migrated to the Game Developer website, this does mean that our blog submission tools, profile editor, and other Gamasutra-hosted links are currently unavailable.
 Create your own maze game in Scratch! By the end of this tutorial, you'll be able to make any kind of maze with multiple levels, a customizable main characte... I saw this game on the IPhone a while back, but I can't remember the name. It's a game where you guide this shape (or something, might've been a ball) through a maze as fast as you can.
There's a timer of sort sort too. It's either counting down or timing you, I forget which, but in any case you get graded on how fast you finished the level.
